PTA INFORMATIONAL MEETING

In response to questions and concerns from parents surrounding the recent meetings and 'coffee chats' with Ms. Guerrero, the PTA will be offering a 30-minute informational meeting to provide an overview, including background and insights, of the current challenges at our school.

When: Monday, October 21 at 6pm

Where: Loyal Heights Cafeteria

Reminder: LHE PTA Meeting norms should be in effect at all meetings:

- We have thoughtful discussions that are focused on the needs of students
- We speak respectfully to each other
- We assume positive intent
- We do not engage in personal attacks
- We look for opportunities to find points of agreement or compromise
- We step up to the discussion when we have something to contribute
- We step back knowing that it's important to hear voices other than our own
- We are careful and considerate listeners
- We avoid side conversations
- We make statements based on evidence and research rather than anecdote
- We build upon each other's ideas to create the strongest conclusions
