

Student Directory Information

The Loyal Heights PTA compiles a yearly Directory for any student/family that wants to participate. Participation is voluntary and provided to help you and your student connect to other students/families in our community.

This Directory is ONLY available on a per family basis. This year, there will be a print version as well as an online version. Your information will not be shared with outside agencies.

The Directory is published entirely from new information each year. Contact information shared in previous years does not rollover to the new directory nor is contact information filled out on other forms in the Back to School Packet or with classroom teachers shared for this year's directory.

If you wish to include your family's contact information in the school Directory, please fill out as much as you choose on the below form. Return it in the envelope with other forms being sent back to school. For efficiency's sake, please fill out one form per family instead of one per student.

Questions can be directed to the PTA Secretary at secretary@loyalheightspta.org
